MESSAGE

President

The Moroccan Association of
Textile and Apparel Industries (AMITH)

It is a great honor to present the 21st edition of Maroc in Mode (MIM), held under the High Patronage of His Majesty King Mohammed VI for the first time. This year's event is co-organized with Cems Global, marking a significant milestone in expanding the reach and impact of MIM, both locally and internationally.

As the Moroccan Association of Textile and Apparel Industries (AMITH), we have been dedicated for over half a century to promoting and advancing Morocco's textile and apparel industry. At AMITH, we believe in championing the creativity, resilience, and adaptability of our sector, which is fundamental to Morocco's economic and social fabric. Our mission is to drive the continuous development of the industry by supporting our members with training, market intelligence, and advocacy, helping them rise to new levels of excellence and sustainability.

MIM is more than just a trade show it is a dynamic platform where innovation, collaboration, and opportunity converge. Every year, MIM serves as an essential meeting point for industry leaders, buyers, and suppliers, offering them a unique gateway to discover Morocco's growing capabilities in textile manufacturing, sustainable practices, and fashion innovation. The show also allows AMITH to showcase Morocco's commitment to international standards, ethical practices, and high-quality production, enhancing the country's reputation as a reliable and innovative player in the global textile landscape.

This year's edition brings together a rich diversity of exhibitors and thousands of visitors, reflecting the global scope of MIM. We are deeply grateful to our sponsors, partners, and the participating countries whose support and enthusiasm have been invaluable in making this event possible. We extend our heartfelt thanks to each of you for your trust and commitment.

Welcome to MIM 2024 where the future of Moroccan textiles meets the world. Together, let us continue building a vibrant and sustainable future for our industry and our nation.

Vive le Maroc, Vive le Textile !

El Ansari Anass

MESSAGE

Group CEO, CEMS-Global
New York, United States

We are thrilled to announce our groundbreaking strategic partnership with AMITH - Association Marocaine des Industries du Textile et de l'Habillement (The Moroccan Association of Textile and Clothing Industries) in jointly organizing four landmark exhibitions for Morocco's textile and apparel industry. This collaboration marks a significant milestone, combining CEMS-Global USA's international exhibition expertise with AMITH's profound industry insight. Together, we aim to foster dynamic connections, innovation, and growth within Morocco's thriving textile and apparel sector.

Among these prestigious events, we are especially proud to present the 21st edition of the MIM Show in 2024, a distinguished platform for showcasing the strengths of Morocco's textile and garment industry. The MIM Show has established itself as a premier event, drawing industry professionals, investors, sourcing buyers, and innovators from across the globe. This year, with the added strength of our collaboration, we expect it to be an even more impactful gathering, driving both local and international business opportunities.

Morocco stands at the crossroads of textile excellence, blending heritage craftsmanship with modern innovation. Our partnership with AMITH enables us to create a platform that celebrates this unique synergy, providing opportunities for local and international businesses to connect, collaborate, and expand.

The Textile Series of Exhibitions held in Bangladesh, Morocco, Thailand, and Sri Lanka by CEMS-Global has consistently set a high standard in the industry, offering a premier B2B platform for Worldwide manufacturers to showcase their latest advancements, explore new markets, and strengthen networks. This edition in Morocco, being jointly organized with AMITH, will be no exception, and we look forward to an event that will not only highlight the potential of the Moroccan textile sector but also create lasting impacts on the industry at large.

Our collaboration with AMITH is a testament to our commitment to empowering the textile and apparel industry through premier B2B events, and we look forward to a successful series of shows that will open doors, create connections, and drive the industry forward. We look forward to working hand-in-hand with AMITH to make Morocco a leading hub in Africa for sourcing and driving the industry's progress in the region.

We invite all stakeholders and industry professionals to join us at these groundbreaking exhibitions and be part of Morocco's textile and apparel future!
